

The Olney Newton Link Annual Meeting

**7:30pm Wednesday 16th May 2018
Gravett Hall, Sutcliff Baptist Church**

Many people in Olney and elsewhere have contributed by giving First Aid Equipment, spectacles, books, and items for schools over the years. We send at least one carton and often two every couple of months.

HOW DOES IT REACH ITS DESTINATION?

We are delighted that **Julie Palmer**, the Sierra Leonean owner of Rockel Shipping, with whom we have worked for several years, has accepted our invitation to be our speaker at our AGM.

Please do join us as we hear what goes on behind the scenes!

Everyone welcome: entry is free: refreshments available
