The New Community Centre

Building for the community centre being overseen by James Kabia is progressing well. The centre is in the district of Kpoubo village and is intended to serve the whole community, providing a gathering space for meetings, events, court hearings and similar.

This is a precise what3words address, made of 3 random words (Every 3 metre square in the world has its own unique what3words address):

As phone signals are needed to triangulate locations this should be regarded as approximate!

Goods to Newton

We have sent some cartons of books to James Kabia, containing first aid equipment, spectacles and a sewing machine — and also children's clothes and school books for Komba Nfalie (headteacher, Christ Evangelical School) for distribution amongst the state schools. We have received photos of the Bowling Club shirts (see separate article).

Please can you let us have any glasses you no longer need—maybe you have a new prescription and could give us the old pair? They are urgently needed in Newton.
