

# The new Baptist Church

A message received last month from Abdul Kabia...

*The family of the late Mr. James Kabia have started the church building project again but there is still no new pastor at the Newton Baptist Church.*

(Note that this is a project supported by the Sutcliff Baptist Church not the ONL. Our constitution states that we must have no religious affiliations.)

## Goshen High school

Progress with the construction of the well has been rapid. It is now being concreted (the hole had been dug by the time of the last newsletter).

The procedure is to dig down until they find water so they know it's deep enough. If no water is found they have to try and find somewhere else to dig. Near a cotton tree is supposed to be the best place!

Note the steps left in the side of the well so that someone can climb down to deepen it if need be. Sometimes the level of the water table changes.

Wells are preferred to boreholes as they can be deepened and are less likely to succumb to blockages.

# Christ Evangelical School

The Village Schools Federation recently sent a little money to Christ Evangelical School to support their Annual Sports Day - they wanted to buy trophies.

The Sports Day is a very important part of school life in Sierra Leone and it is very well celebrated with the school divided into houses, complete with banners and slogans. The teams are mixed age. The competition is hot (as is the weather!). We asked what races there were.

The reply was...

*Field Track, Long Jump, Bursting Balloon especially the Nursery categories. Carrying your Baby and many others, just to name a few.*

The trophies!

CHRIST EVANGELICAL PRIMARY SCHOOL KADUWUN NEW			
INTER HOUSE SPORT MEET			
HOUSE	CHILD	SCORES	REMARK

# Fund Raising: The Soup Lunch

On Friday April 4th, our annual soup lunch proved to be a great success. The soup was delicious and so were the cakes and biscuits afterwards. Thank you to all who came and helped raise

over

£350 for the Community Centre.

Some

of those who came—and many apologies if I haven't got you in the picture.

Thank  
and

you  
Rob

Anne  
for

hosting the event and thank you to all the cooks!
